

## TM33

### Minibar Cooler

#### Product Features

- Absorption operated cooling system
- Flat integrated evaporator
- Silent operation
- Low energy consumption
- Reversible solid door
- Adjustable shelves, also in door
- LED interior light
- Lock

### Silent minibar for hotels

With the TM minibar, your guests can always get a good night's sleep. It has a silent running absorption cooling system classified as 0 dB(A), meaning no disturbance. The minibar has an elegant design with a black exterior and an anthracite interior, which gives that high-end feel. It has internal LED lighting, which turns on when the door is opened.

The cabinet can be fully integrated into the existing décor with a build-in bracket and hinge fixation kit, which allows a joint opening of the cupboard- and minibar door (available as accessory). A hinge fixation kit also secures the stability of the cooler and prevents it from tipping and sliding forward.

#### Measures and Content

|                    |    |          |
|--------------------|----|----------|
| Gross / Net Weight | kg | 18 / 16  |
| Net Volume         | l  | 26       |
| Gross Volume       | l  | 28       |
| Gross / Net Volume | l  | 28 / 26  |
| Temperature Range  | °C | 0 to +10 |
| Climate Class      |    | N        |

#### Design and Material

|                     |       |                      |
